

LETTER WRITTEN BY JEANIE McCOY  
From DOUG WELBORN OFFICE  
Clerk of Courts  
Baton Rouge, LA

March 31, 2011

To the Entire School,

Mater Dolorosa was the largest group of young people to visit the courts on law day. I was fortunate enough to have them as "my group". My comments to all were nothing but praise and adoration, not to mention most took nine flights of stairs as did some of the teachers! Later in the day, I had to go to the ninth floor and deliver papers. I commented to the Sheriff on duty, who has been there 8 years, how great my class behaved. His comment was, "Yes they were. In fact I have been here eight years and they are the best that have ever been through here." Thought you would appreciate hearing this.  
Keep it Up,  
Jeanie McCoy
